

DONOR IMPACT REPORT

BY THE NUMBERS

FISCAL YEAR 2022-2023

FY 2022-2023 Development, Finance, Investment Overview

Asset Management

Total Foundation assets were \$2.8 billion as of June 30, 2023. Included in total assets are endowed assets, non-endowed assets and assets managed by the Foundation for WVU-affiliated agencies including WVU Hospitals, WVU Research Corp., and other University affiliates.

New Gifts and Pledges

New gifts and pledges received for the fiscal year totaled \$163.7 million. The combined gifts were made by 20,894 donors in 42,450 transactions.

Support

Donor gifts enabled the Foundation to disburse approximately \$124 million in funds on behalf of the University to support many purposes, including scholarships and fellowships; academic program development; chairs and professorships; faculty development and research; equipment and facilities; and libraries. Over the past five years, the Foundation has provided the University with \$437 million in direct support. Of the \$124 million disbursed in fiscal year 2022-2023 to the University, \$21.4 million (or 17%) was directed toward student scholarship support, which made attendance at WVU a reality for many students by easing the financial burden. Another \$57.4 million (or 46%) was directed toward salaries and benefits, which enabled the University to attract and retain high-caliber faculty for teaching, research and public service, and \$22.3 million (or 18%) was provided for capital projects and equipment.

Operating Expenses

The Foundation’s annual operating expenses totaled \$24 million during the 2022-2023 fiscal year, representing less than 1% of total assets under management. Each donor’s gift is applied directly to the purpose for which it is given. No unrestricted gifts are used to fund Foundation operations.

Direct fundraising costs for the year were \$14.1 million. Fundraising costs compared to new gifts and pledges of \$163.7 million generated a revenue-to-expense ratio of 11.6 to 1.

Investment Management

The WVU Foundation investment group manages \$2.6 billion in investment assets in five different pools in support of WVU and its affiliates. These assets have grown over the last five years as noted below.

WVUF ASSETS UNDER MANAGEMENT

At June 30, 2023, the asset allocation of the Long-Term Investment Pool, which includes the endowment, was 57% equities, 17% fixed income, 13% real assets, 9% diversifying strategies and 4% cash.

WVUF LONG-TERM INVESTMENT POOL ASSET ALLOCATION

The Foundation Long-Term Investment Pool returned 0.3% for the fiscal year ended June 30, 2023, underperforming the Wilshire Trust Universe Comparison Service U.S. Endowment median return of 8.7%. On a 10-year basis, the Foundation Long Term Investment Pool returned 8.7%, ahead of the 10-year endowment median return of 6.1%. The pool's three-year return was 12.7% and its five-year return was 9.6%.

The Long-Term Investment Pool was invested in 189 funds managed by 89 well respected asset managers at June 30, 2023. The value of the Foundation's Long-Term Investment Pool totaled \$859 million after net transfers out of the pool totaled \$18 million for the fiscal year.

The WVU Foundation employs the Charitable Asset Management Group of State Street Global Advisors for the life income accounts. These gifts are invested separately from the Long-Term Investment Pool in order to more closely match the needs and requirements of each individual donor. As of June 30, 2023, the value of the life income accounts totaled \$27.4 million.
